**SUMMARY OF BILL AS AMENDED (014051):** Extends indefinitely the ban on a governmental entity, school, or local education agency mandating a person receive a COVID-19 vaccine, and on a private business or school requiring proof of vaccination to access facilities or receive the benefits of the entity's products or services. Removes the official definitions of adverse actions, employer, face covering, industry required mask, legal guardian, minor, monoclonal antibodies, quarantine, school property, and severe conditions, all in reference to COVID-19. States that the extension will be effective upon becoming law and the deletions will take effect on July 1, 2023.

**FISCAL IMPACT OF BILL AS AMENDED:**

**NOT SIGNIFICANT**

Assumptions:

- Extending indefinitely the ban on a governmental entity, school, or local education agency mandating a person receive a COVID-19 vaccine, and on a private business or school requiring proof of vaccination to access facilities or receive the benefits of the entity's products or services will have no significant impact on state or local government operations.
- Removal of these specific definitions, as related to COVID-19, does not significantly impact the current law.
- Any fiscal impact is estimated to be not significant.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.
